1. Welcome

2. Committee Reports
   a. Budget
      i. The budget is attached.

3. Old Business
   a. Update on playground structure
      i. This is on hold for now.

4. New Business
   a. Moving Fall Fundraisers to the Spring
      i. Usually the silent auction committee starts around this time of
         year to ask for donations. The committee and PTA propose
         moving the carnival to the spring. We will reevaluate as
         necessary closer to it.
      
      ii. We discussed moving the Fall fundraiser also. We also
          discussed the option of moving it all online or not doing the
          catalogs and possibly doing a cash fundraiser. In the past, we
          have done the fundraiser in the fall so people can purchase for
          gifts if they want. We are not locked into a date at this time so
          we will reevaluate and discuss again later in the summer.
      
      iii. We are aware of the fluidity of the situation and want to be
           sensitive to families’ needs.
b. Membership/Volunteer forms

Colleen

i. We are waiting to set dates and publish a PTA calendar for next year. We discussed next year’s volunteer form and coordinators that will be needed.

ii. Samantha did sign an agreement for the school supply packs. We only need 24 packs ordered to meet the agreement. Adrienne does not (at this moment) foresee the school supply list changing.

iii. PTA is planning on another meeting in July.
