3. Old Business
   a. Update on Playground enhancements
The cracks on the blacktop were filled early Monday morning. We are on the waiting list to get a more permanent fix. The district will paint hopscotch on the blacktop. Also discussed was adding tetherball and gaga ball. We’re in the process of looking in to hiring someone to paint an obstacle course on the blacktop, and also, looking at equipment to add to the grassy area.

b. Painting Spots in Circle Drive

It’s been requested to have lines drawn so cars will pull all the way forward and use the whole circle when dropping off and picking up.
